Agenda Item #	Discussion	Action Items
OIC	• Nothing.	
C/Supt Gill	• Met with Dave and Ray this morning – Radio Room Cst. Project is going well. Ray will be putting documemt together on this. • Will look at the 3am shift proposal and put in job descriptions and use reservists for DCT. • 911 diversion project.	
Supt Schwartz	• IO # set up for Truck protests. • Leave balances – everyone done great job in driving these down. • HRMIS project – we will take on.	

Royal Canadian Mounted Police / Gendarmerie royale du Canada

CITY OF SURREY the future lives here

	• Are we opening briefings? Waiting for PHO to open things.	
Supt Hall	• GIU – Susp fire at Pet supply co this am. • Male fell from second floor of house – male has since passed away. • Sudden death of infant – autopsy will take place. • Shots fired on 5th – bullet holes and six casing. Son is Pers onal Perso who is known to us. • IED – when EDU took apart pipe was full of dirt and shotgun shell. No detination device. • Robber with ERT – search warrant unable to produce gun but did find gun holster. • Robbery Unit • Oct 13 – Stranger SA at Duck Pond – SOC id'd early on and male with lower mental capacity. Crown has not approved charges without further info. • SCU – warming centre – Delta had a homicide on Friday who was interviewed on our file. • MP last week has been in touch with MCFD – trying to confirm with her before we close.	
Supt Paradis	• Trucker Convoy – busy time for the weekend. Difficult to get OT interest on this. • COVID #'s are maintaining steady downward trend. • BB Classic is underway. Pushing to get update on spectator's hoping for 50% capacity as right now it is 0. • Drugs – 2 search warrants underway last week. Jason Badesh res – small quantity fentanyl and $12000 cash. Next one we are looking at completeing to execute this week ERT will be available to assist with this. • CCIT f/u on Jan low speed collision. Individual still in serious condition with brain injury.	
Supt Burleigh	• Thanks for help with the Convoy. • Cst. Booth – D1 search warrant recovered stolen TV's. • D1 sudden death of infant. • Vehile stopped and passenger pulled out while trying to flee. Search located CEW.	
SSM Koga	• Working with Cst. Hill / FNP re Truth and Reconcilliatoin email signature for all empl. Cst. Hill will be looking into policy around this. • If shield badge needs to be repaired there is a process that members can follow to get badge replaced and original badge repaired.	

	• Went to ARC meeting with Supt. Paradis today. One of the commendations going forward is for a PSE who put data together on info that was presented.	
Cpl. Munn	• Multiple media enq to numerous events over the weekend. • Did media release on IED device at SMH. • Shots fired in Fleetwood – going reactive as not too many details. • ERT deployed at res of alleged robber of street worker. • Armed suicidal male in D5 and ERT deployed. • Working on review of after hours protocol to ensure media requests are being dealt with in a timely manner.	
Johan	• Budget – City to sign off on replacing carpets in main detachment; lockers for Inventory room; once approved RPF process for carpets. • OCC stats – answered 56% of calls in 50 sec and 911 calls also down. Langley has now posted 3 positions so we will likely lose more people. Looking to get this job reclassified to entice our people to stay. • WR contract – with their legal for finalizing.	
Carly	• Busy weekend for Comms. A lot of enq over school lockdowns. • BB Classic started yesterday. News release ready to go out this afternoon. Have some social for our 3 members involbed. • Email sent on Friday re Surrey LIP – non profit launched racism mapping tool incidents in surrey. Media enq from a reporter looking for hate related/biased crimes for 2021.	

Next Meeting:
